If there are days with extremely low occupancy, we may need to close; we will endeavour to give you as much notice as possible. Please take note of cancellation Policy

Monday 28th September - Water Fun Day 🌊

\$85

Get ready to **make a splash at Lapstone!** 🌈

Our Vacation Care Water Fun Day is packed with refreshing, action-filled activities to keep everyone cool and entertained. Children can enjoy **water fights, slip and slides, water play and plenty of splashy fun** with their friends!

Get ready to splash, slide, laugh and make some awesome Vacation Care memories! ☀️

Tuesday 29th September - 🦎 Walkabout Reptile Show **\$100**

Join us for an exciting **Walkabout Reptile Show Incursion from 10:30am-12pm**, where children will have the opportunity to get **up close and hands-on** with some fascinating reptile friends.

Children will discover fun and interesting facts, learn about different reptiles and their unique behaviours, and enjoy an unforgettable hands-on experience! 🦎🌿

Wednesday 30th September - ✨ Wellness Wednesday **\$85**

It's time to slow down, relax and recharge! 🧘‍♀️

Our Wellness Wednesday is all about creating a calm and positive space for children to practise mindfulness, relaxation and self-care throughout the day.

Children will enjoy mindfulness activities, relaxing yoga, fun spa scrubs and calming activities designed to help them unwind, connect and feel refreshed.

Thursday 1st October - 🎈 Inflatable World Excursion

\$125

Get ready to bounce, jump and have a blast! 🎈

We're heading to Inflatable World for an action-packed morning of jumping fun! Children will have the opportunity to explore jumping castles of all shapes and sizes, challenge themselves with exciting obstacles and test their skills while staying active.

Friday 2nd October - ♻️ Recycle & Deconstruction Day **\$85**

🔧 Our Recycle & Deconstruction Day is all about giving **old materials a second life** while exploring how things work. Children will use their creativity to transform recycled materials into something new and exciting.

They'll also have the chance to safely **deconstruct old technology**, taking a closer look inside and discovering the different parts, tools and mechanisms that make things work. ⚡
