Beresford Road Activity Centre

### Risk Rating Key

**Very High**

**High Risk**

**Medium Risk**

**Low Risk**

Activity	Hazard	Risk Assessment (use Matrix)	Control Measure	Who	When
Fire Brigade entering school ground	Visitors acting in unsafe or harmful manner	High	All Visitors required to have WWCC that is in date and verified.	<b>Nominated Supervisor</b>	When it is known that a visitor will be entering school grounds
	Children handling unsafe equipment	High	The incursion will be supervised by educators, and if equipment is deemed unsafe for children to handle educators will not allow it, and speak to the firemen if necessary to have it removed from site.	Educators rostered on the day	When the incursion is taking place
Children entering the carpark and being shown the fire truck.	Children absconding out of school grounds	Very High	Educators will be positioned appropriately, with some standing between children and the school gates. Children who are deemed "flight risks" will have educators assigned specifically to them. The children will enter the carpark in small groups at a time so they are easier to supervise.	Educators rostered on the day	If children are in the carpark.
	Other vehicles driving in the car park	High	If another vehicle is seen driving in the car park, educators will move the children to a safe location until the vehicle is parked or has left the carpark	Educators rostered on the day	If children are in the carpark.
