

Risk assessment and management template - Excursions

Approved providers, nominated supervisors and family day care educators must ensure a risk assessment is carried out before children are taken outside the service premises on an excursion. Prior authorisation must also be obtained from parents or other authorised nominees.

ACECQA has prepared this template to assist services in undertaking risk assessments before children leave the service premises as part of an excursion, which services may wish to incorporate within their own risk assessment material.

Regulation 101 of the Education and Care Services National Regulations includes the minimum risk assessment considerations for excursions, including specific considerations when an excursion involves transporting children.

Note: A risk assessment is only required to be completed at least once for a 12 month period if the excursion is a *'regular outing**'.

**Regular outing:* means a walk, drive or trip to and from a destination that the service visits regularly as part of its educational program, and where the circumstances relevant to the risk assessment are substantially the same on each outing.

Lapstone Activity Centre- Risk assessment – Tru Ninja Penrith

Service Name	Lapstone Activity Centre (LAC)
Excursion details	Time Zone Penrith
Date (s) of excursion. If it is a regular outing include a description of when children are to be taken on regular outings.	Wednesday 17 th April, 2024
Proposed activities. List all activities that will take place during the excursion.	- Bus travel - Playing a variety of different arcade games
Pick up location and destination (s). List each location travelled to and from as part of the excursion. E.g., the museum, park for lunch and service.	Pick up from Lapstone Public school, 65 Explorers road, Lapstone, 2773 Drop too Time Zone 123 Mulgoa road, Penrith 2750. Return to Lapstone Public school
Estimated departure and arrival times and duration of the excursion. E.g., from the service to each destination and returning to the service.	Travel times are approximates Pick up at LAC 10am Arrive at Time Zone at 10:20am Depart Time Zone at 11:40am Return to LAC at 12:00pm
Proposed route You can include an image of the route sourced online.	Refer to maps attached
Means of transport E.g., public bus, private bus, coach, private car, taxi, tram	Chartered bus – Penrith mini bus

<p>Educator to child ratio, including whether this excursion warrants a higher ratio.</p> <p>Provide details in the risk assessment table below.</p>	<p>1:8</p>

Describe the process for entering and exiting the service premises and the pick-up location or destinations (as required); (include how each child is accounted for):

Children will be provided with their blue Excursion T-shirt and coloured wristband with services mobile phone number upon arrival at the Centre.

A Roll Call will be conducted before leaving the Centre.

Once all children are accounted for, the children will line up and walk with Educators (one Educator must be at the front of the group, one Educator must be at the back of the group and the rest of the Educators to walk spaced throughout the group of children). The children and Educators will walk along the assigned footpath in School grounds and out of small back gate to where the Bus will be waiting in the small back carpark. If the group needs to walk up to

the Bus, the children must walk on the footpath and not on the council strip to the Bus. The Educators must be spaced out between the group of children and walk on the closest to the road.

When leaving the Service the time and Educator’s signature will be recorded on the Children’s Signed In and Out of Transport Document as the children embark.

Upon returning to the Service the time and Educator’s signature will be recorded on the Children Signed In and Out of Transport Document as the children disembark. The group will enter the small side gate and walk along the footpath next to the Canteen to reach the Service.

Children Signed In and Out of Transport document will record day, date, child’s name, time and signature of Educator accounting for children embarking the Bus and time and signature of Educator accounting for children disembarking the Bus.

Describe the procedures for embarking and disembarking the vehicle (include how each child is accounted for in embarking and disembarking):

Each child will be accounted for when embarking and disembarking the Bus by an Educator marking them off on the Children Signed In and Out of Transport document. The time, name and signature of the person who accounted for the children who embarked and disembarked appears on this document.

When embarking the children will line up at the Bus and as the Educator writes the time and their signature next to the child’s name the child will then board the Bus.

When disembarking the children will walk down the Bus steps one child at a time as the Educator writes the time and their signature next to the child’s name.

The children will line up in designated area until the process has been completed and the Bus has been checked.

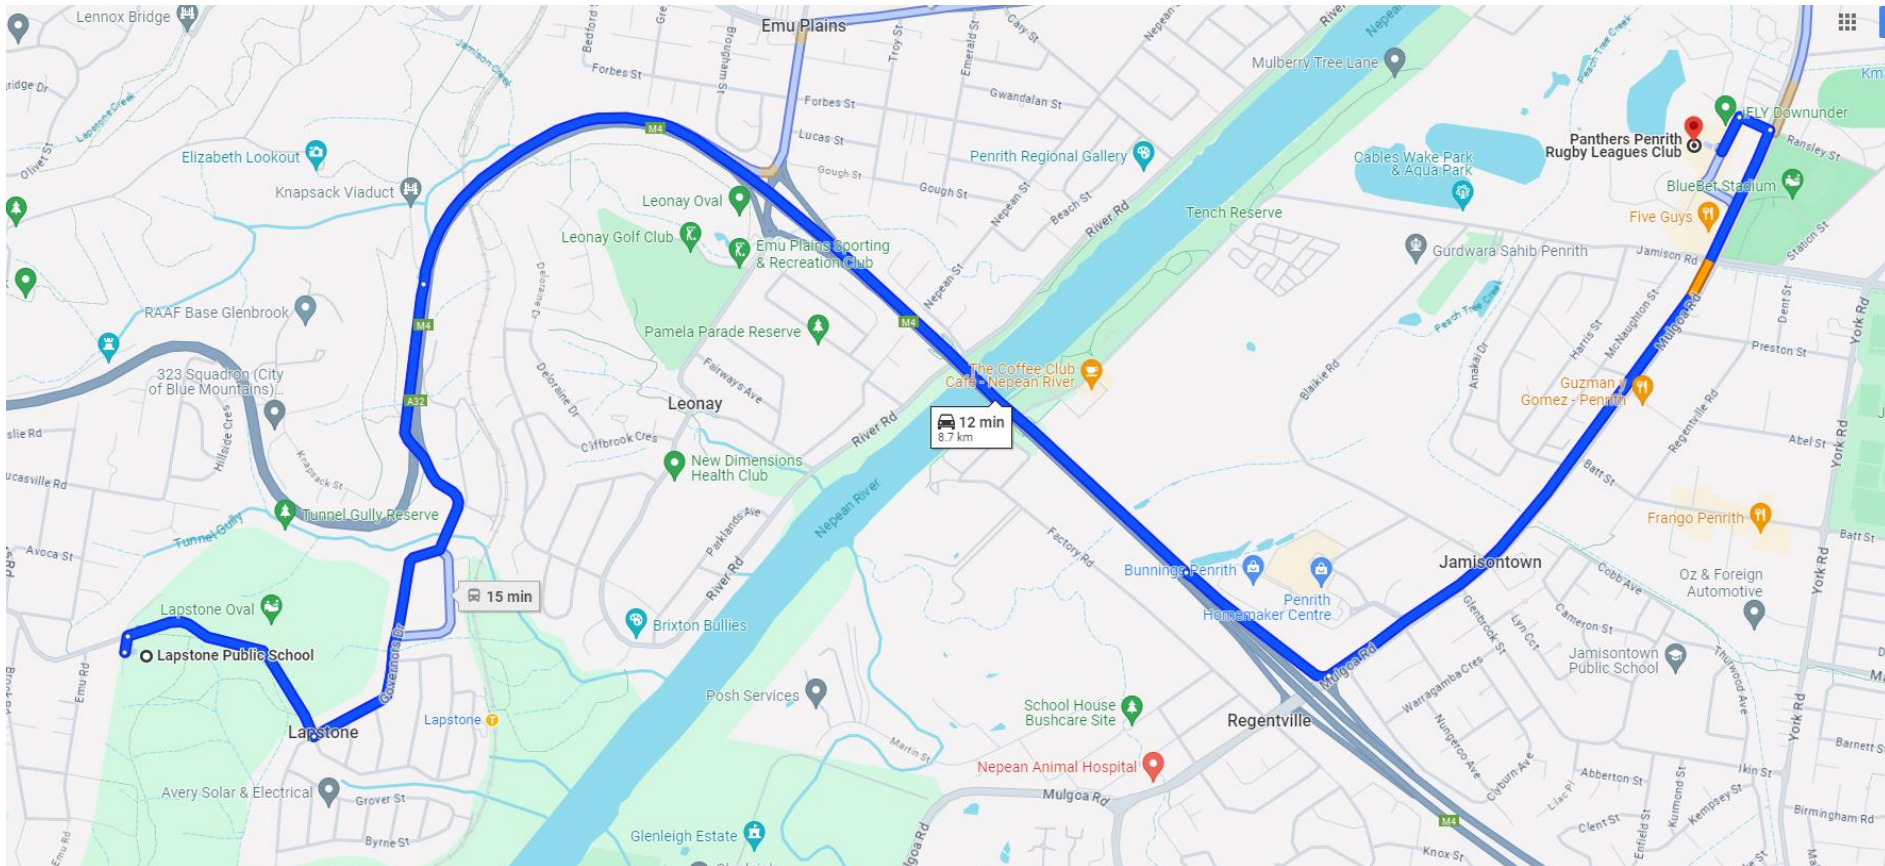

A Head Count will be conducted by other Educators to ensure the number of children disembarking corresponds with the number of children lining up after disembarking.

Excursion checklist – items to be readily available during the excursion

(Please tick)

<input type="checkbox"/> First aid kit	<input type="checkbox"/> List of adults involved in the excursion
<input type="checkbox"/> List of children involved in the excursion	<input type="checkbox"/> Contact information for each adult
<input type="checkbox"/> Contact information for each child	<input type="checkbox"/> Mobile phone / other means of communicating with the service & emergency services
<input type="checkbox"/> Medical Management Plans, Medication & RMP for individual children	<input type="checkbox"/> Other items, please list – 4G Ipad – Transport Policy – Safe Transportation of Children.

- First Aid Policy.
- Emergency Policy.
- Accurate current attendance records.
- Risk Assessment and Management - Single Trip Transportation of Children Safety Checklist
- Risk Assessment and Management – Children Embarking and Disembarking the Vehicle for Single Trip Transportation

Use the table below to identify and assess risks to the safety, health or wellbeing of children attending the excursion, and specify how these risks will be managed and minimised (regulation 101(1)). This must include any risks associated with water-based activities.

Identified Hazard –

Transport

- Bus and Driver – qualified and vehicle registered
- Travelling in the Vehicle
- Children embarking and disembarking
- Documentation not completed correctly

Risk Rating Key

- !! **Very High**
- ! **High Risk**
