- First aid Kit / Emergency Trolley
- Signs and notices
- Walkie Talkies
- Safety Checklists

Activity	Hazard/Risk	Risk Assessment (use Matrix)	Control Measure	Who	When
On enrolment for Vacation care			Families are informed: <ul style="list-style-type: none"> ○ About our wheeled toy rules (outlined on our website) and are encouraged to speak with their children about them. ○ Children must have: <ul style="list-style-type: none"> ▪ Correctly fitting helmets and safety equipment to be able to ride ▪ Wheeled toys that are in safe working order ▪ Closed in shoes. 	Service Coordinator	On enrolment for Vacation Care
Set up of Wheeled Toy Area	Tripping, falling, slipping onto concrete <ul style="list-style-type: none"> - Rocks/sticks or other foreign objects in Wheeled toy area 	# Medium Risk	Prior to riding: <ul style="list-style-type: none"> ○ Riding area is set up with clear instructions of directions including how to enter and exit the riding track, and the direction of travel when on the track should be clearly displayed. 	Responsible Person	1 st thing in the morning during set up for the day.

Activity	Hazard/Risk	Risk Assessment (use Matrix)	Control Measure	Who	When
Cont. from pg. 1			<ul style="list-style-type: none"> All Educators on shift have read and signed this Risk Assessment and are aware of all responsibilities throughout the day. Wheeled toy "Parking Area" to be set up where children can store all wheeled toys safely to avoid trip hazard. All hazards are removed or minimised (e.g. large sticks and rocks removed etc). 	Responsible Person	1 st thing in the morning during set up for the day.
Moving in and out of Riding area	Colliding with other children <ul style="list-style-type: none"> Broken bones, fractures, sprains, strains Cuts, scrapes and bruises 	! High Risk	<ul style="list-style-type: none"> No individual who is "on foot" and not riding a wheeled toy will be permitted in the riding area. No riding of wheeled toys is permitted outside the riding area – wheeled toys are to be walked to parking area and in and out of the service. 	All Educators	Throughout the day while children are riding wheeled toys
Riding Wheeled Toys	Overcrowding due to a high volume of wheeled Toys brought to the service on a particular day <ul style="list-style-type: none"> Increased risk of collisions with other children 	! High Risk	<ul style="list-style-type: none"> In the morning and throughout the day assess, how many wheeled toys have been brought to the service. Groups created to ensure only max number of children are riding on the track at any designated time (and the riding track is not overcrowded). Groups can be created via age, ability, or wheeled toy (e.g., only bikes, only skateboards etc) if needed. 	Responsible Person	Ongoing Throughout the day
Riding Wheeled Toys	Falling off wheeled toy <ul style="list-style-type: none"> Broken bones, fractures, sprains, strains Concussion Cuts, scrapes and bruises Tripping, Falling and slipping 	! High Risk # Medium Risk	<ul style="list-style-type: none"> Ongoing discussions and reminders are had with children regarding the rules for wheeled toys (as should have been discussed with them with families prior to the day). Children informed that not following rules and educator directions will result in being unable to ride for the day. Children will be instructed and reminded about safe storage of wheeled toys, safety rules for riding and consequences of not following the directions of educators, including being unable to ride. Children will be required to wear safety helmets and closed in shoes while riding. 	All Educators	Throughout the day while children are riding wheeled toys

Activity	Hazard/Risk	Risk Assessment (use Matrix)	Control Measure	Who	When
Cont. from pg. 2			<ul style="list-style-type: none"> ○ Children are to be riding in the same direction around the track. ○ Children displaying poor balance on their wheeled Toy will be unable to ride. ○ Children are not permitted to ride any wheeled toys that are not their own. ○ The riding track remains free of hazards throughout the day. 	All Educators	Throughout the day while children are riding wheeled toys
Riding wheeled Toys	Weather Heat <ul style="list-style-type: none"> - Dehydration - Sunburn Wet Weather	<p style="text-align: center;">! High Risk</p> <p style="text-align: center;">* Low Risk</p>	<ul style="list-style-type: none"> ○ Educators are to check the UV before the children play. If the UV is 3 and over educators are to ensure they are all wearing hats and sunscreen. ○ Children are to have on shirts that cover shoulders. ○ Children are provided with water breaks for hydration. ○ Sunscreen is to be applied beforehand with enough time to sink in and reapplied as required every few hours. ○ In Wet weather wheeled toys will occur in cola area that is undercover 	All Educators	Throughout the day while children are riding wheeled toys
